TUMKUR DIVISION.

Notification.

Attention of the public is invited to notification published in page 248 of *Mysore Gazette*, Part IV, dated 21st March 1918, calling for the tenders for constructing A.-V. School at Pavagada. The last date of the tender is 20th March 1918.

N. G. KRISHNA IYENGAR,
Offg. Executive Engineer.

MYSORE DIVISION.

Dated 20th March 1918.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore Division, up to 20th April 1918, for restoring Shivahalli tank, Registered No. 108, of Mandya Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1919.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 300 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring Shivahalli tank, Registered No. 108, of Mandya Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Estimate of the probable cost of restoring Shivahalli tank, Registered No. 108, of Mandya Taluk.

P. SUBBA RAO,
For *Executive Engineer.*

HASSAN DIVISION.

Dated 21st March 1918.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Hassan Division, up to the 30th April 1918, for constructing an aqueduct in connection with extension of Ramanathpur channel. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of the 30th June 1919.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Hassan between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees three hundred in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for constructing an aqueduct in connection with extension of Ramanathpur channel" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
